Back to Normal

Christmas and New Year and Waitangi Day are gone and we can now settle back into our usual routine.

In this issue of the Newsletter I have given the dates for the meetings and competitions that are known at present. The President is labouring to get some outside demonstrators for meetings and would welcome any possible names, from members, who might possibly give us a demonstration on some topic of interest., not necessarily wood related.

I will update the "Diary Dates" in each issue and would welcome news of anything suitable to add to keep us informed.

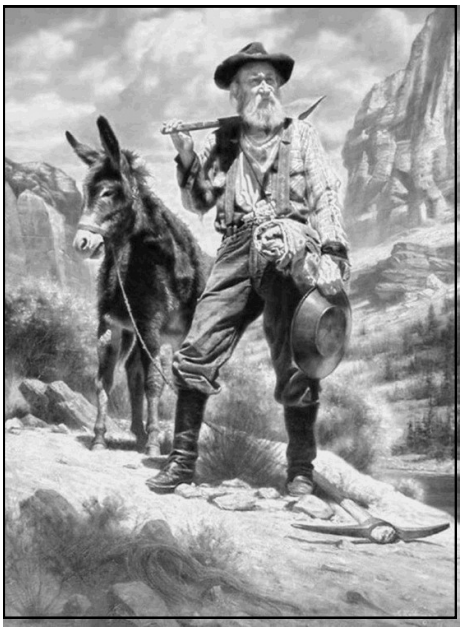
A FEW OF LIFE'S UNANSWERED QUESTIONS

** Why is it considered necessary to nail down the lid of a coffin?

** Why does the sun lighten our hair, but darken our skin?

** Why can't women put on mascara with their mouth closed?

** Why doesn't glue stick to the inside of the bottle?



“Old Prospector”

(Proof of re-incarnation?)

** Why don't you ever see the headline "Psychic Wins Lottery"?

** Why is "abbreviated" such a long word? ** Why is a boxing ring square?

** Why is it called lipstick if you can still move your lips?
